investigation, the applicant learned then he would, based on knowledge at this time, be properly considered an inventor of those two claims. Accordingly, applicant unknowingly did not list all of the inventors that should have been included as inventors of the application if it included claims 7 and 8.

Consequently, one or more of the claims of this application are unpatentable. The claims that are currently unpatentable are claims 7 and 8 since the inventor of these claims was not listed on the declaration filed in this application. The applicant wishes to file an amendment (attachment A) deleting unpatentable claims 7 and 8 from the application. Once unpatentable claims 7 and 8 are deleted from the application, the listing of the inventors on the declaration filed in this application will be correct for remaining claims 1, 5, 6 and 24. The Commissioner is hereby authorized to charge the \$130.00 fee for filing this petition to Deposit Account 03-0778.

REQUEST

It is respectfully requested that this application be withdrawn from issue, that the attached amendment (attachment A) be entered and a new notice of allowance issued allowing remaining claims 1, 5, 6 and 24 which are the claims invented by the inventors listed on the declaration filed in this case.

Respectfully submitted,

Vincent L. Carney
